

AI Easter Holy Week Devotional *Using Canva AI*

✔ Step 1:

Write out your 7 days of Easter content.
You might include a scripture reference, a reflection thought, etc.
You can use something like ChatGPT to help you get started.

✔ Step 2:

Go to canva.com/ai
(Log in or sign up if you don't have an account)

Enter this prompt into the prompt field:
Create a 7-page modern Easter-themed devotional layout with soft pastel colors, minimal floral or palm accents, and clean typography. Leave placeholder text for titles, scripture, and reflection prompts on each page.

✔ Step 3:

If you don't like the design, you can ask it to change the colors, etc.
Avoid asking it to change the format of the document (unless you need more pages).

 **Step 4:**

Select the template you like.

You might need to click the “Use Canva Editor” button

Copy/paste your content from Step 1 into the template.

 **Step 5:**

Add any simple design refinements, an introduction, conclusion, your church’s branding, etc.

 **Step 6:**

Click the “Share” button and download your PDF.
